PRESIDENT'S MESSAGE

Dear Members,

On behalf of IASO, I extend a warm welcome to each one of you to **NATCON -IASO 2024** in the most happening city in India "Bengaluru" .

IASO's rich history of excellence in cancer surgery is a testament to our visionary leadership, commitment to knowledge-sharing, and dedication to education and research.

As we collectively face the emerging global challenge of cancer, we understand the critical role surgery plays as a highly effective and widely available intervention. The constant evolution of technology and knowledge demands that we, as surgical professionals, stay at the forefront of learning, pushing the boundaries of what is possible. Our duty remains steadfast - to ensure that the highest standard of care is not just provided but is accessible and affordable to all, regardless of socio-economic background.

As we navigate the ever-evolving landscape of cancer, staying informed and engaged is crucial. IASO is committed to serving as a hub for collaboration and networking among our members, various oncology societies, and international scientific organizations through NATCON.

Through these collaborative efforts we will continue to shape the future of surgical oncology, sharing experiences, and inspiring one another to reach new heights.

The leadership of IASO and organizing committee of NATCON 24 have worked in close collaboration to curate a scientific feast catering to all sections of IASO including trainees and practicing surgeons.

I sincerely extend my best wishes for the grand success of NATCON 24
